100,000 Germans
Preparing to Emigrate

Berlin, Feb. 14.—Students of economic subjects assert that at least 5,000,000 Germans are preparing to leave the Fatherland for the United States, Mexico and South American countries, Mexico and South American countries, to obtain passage money, or obtain admission to the case of the United States. A majority of the would be emigrants have expressed a preference to go to South America.

Official and unofficial quarters have displayed considerable uneasiness over the class of men who are now migrating or preparing to emigrate. The head of the Government Immigration Office said:

"The most able bodied, enterprising, smart sons of Germany are leaving. The very poor, the Communists, the radicals, the Bolsheviks, generally remaining with us. It is the family of some substance which is moving."

One cause of this emigration is needed to be the war taxes and particularly the income tax, which virtually prohibits the salaried man from doing anything else for the rainy day. These men generally no longer patronize the banks. They are hoarding a little bit of salary each month against the day they can emigrate.

God Ordered Children to Stay.
A Home: Goes to Jail.

Winchester, Va., Feb. 14.—Rather than send his children to the public schools, Luther McFarland, an exhorter of the Pentecostal Mission, last evening began serving an indeterminate jail sentence. Sheriff Panett said the prisoner probably would be sent to the convict road camp near here today.

McFarland is a farmer living in the western part of Frederick county. He is the father of eleven children, eight of whom are of school age. He told the court that his action in refusing to send his children to school was based on Divine command; that he had had communication with him and told him to keep his children "untouched from the world."

Judge Tavenner tried to persuade him to charge his opinions, but he

SPORTS

The basketball game announced previously with the Ingram Club, of Washington, for Tuesday night, has been cancelled by our friends over the river, giving as their reason inability to prove an interesting match for the Big "D's" court. The locals tramped all over them on a foreign floor last week.

Wednesday the Dreadnaughts journey to Washington to face the Navy Yard boys at home. Friday they face the Maryland state and on Saturday they have an engagement with the Bolling Field Aviators in Armory Hall. This is an interesting schedule for the week and if defeat is in the book for us this season it is very liable to happen in either of these three games. Anyway those interested in the game have a treat in store and if they will follow the team we promise a first rate exhibition of sport.

Tonight the Dreadnaughts hold a regular meeting in their club and all members are requested to be present.

Richmond, Feb. 14.—Miss Inez Cook, of Richmond, has been appointed on the staff of High Constable William H. Wyatt, Jr., and is reported to be the first woman in Virginia to occupy an office of this character. She will assume her duties today.

JUSTICE GAGE DIES

Chester, S. C., Feb. 14.—George W. Gage, associate justice of the South Carolina Supreme Court, died last night at his home here, after a long illness.

Justice Gage is the second member of the court to die within the last month, Associate Justice Daniel E. Hydrick, having passed away January 15.

Spurned, He Kills Girl And Then Shoots Self

Philadelphia, Feb. 14.—Enraged because she would not elope with him, Zimmario Aggenio, of Tacony, cleft the skull of 15-year-old Mary Nicastro with a rusty ax, killed her instantly. Then he fled from the girl's home to his own home, where he fired a bullet into his head.

Aggenio, who is 29 years old and a widower, crept behind the girl as she was stooping to put on her shoes, raised the long-handled ax and with his full strength drove the blade against the back of the girl's head.

Aggenio went to his room on the second floor of the house. He stood before a small mirror as he pressed the muzzle of the revolver to the right side of his head and pulled the trigger.

NEW EXCUSE DEVELOPED FOR MEN LATE AT WORK

Canton, Ohio, Feb. 14.—At least there has been found a new alibi for being late to work.

The old gags "my clock was slow this morning," or "the street car was delayed" fell into oblivion here yesterday when Patrolman Joseph Carden reported to his precinct police station half an hour late for duty and told the captain that burglars entered his house last night and stole his alarm clock.

The captain investigated and found it true.

Richmond, Feb. 14.—Berkley D. Adams, of Charlotte county, member of the State Corporation Commission filling the unexpired term of Judge R. R. Prentiss, today announced his candidacy for re-election to the Commission for the regular term beginning February 1, 1922, subject to the Democratic primary on August 2 of this year.

Mr. Adams has served on the commission eighteen months, having been elected to that body by a vote of 95,000 in November, 1919, the largest plurality ever given a candidate for office in Virginia. ASPIRIN

Name "Bayer" on Genuine

It's criminal to take a chance on any substitute for "Bayer Tablets of Aspirin." Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes, of twelve tablets cost few cents. Drugists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

Evening Up.—"Did the laundryman find those cuffs he lost last week?"
"No, John."
"The shirts are no good to me with out the cuffs."
"Evidently he figured it that way, too. This week he lost the shirts."
